

Woodcut Quilts

A One Day Workshop with Laura Wasilowski

Description: Adapt the graphic impact of woodcuts to quilt making. Create beautiful pictorial woodcut-inspired quilts by free cutting fused fabrics into intricate shapes and ironing them onto black fabric. Learn free cutting, pattern transfer, and the design secrets of the woodcut quilt. This type of art quilt construction is painstaking and so only one small quilt can be completed in one day. But the results are worth it! A kit provides appropriate fabrics and hand out. (No sewing machine needed.) \$20 Kit Fee.
