

# Going Postal

Create your own postcards.

Supply List • 3 Hour Workshop with Kit  
Billie Lauder

Learn how to Paper Piece and Freezer Paper Piece your own postcards.

You will be shown when to use what technique.

These postcards really do go through the post office.

After the postcards are made we will get in to  
embellishments that can be added that are "mail safe."

Stamping • Stenciling • Thread Decorating

Various techniques will be demonstrated in class.

Layering the postcard sandwich and finishing the edges.
