

## **#401 Becoming a Quilt Doctor**

*Lisa Erlandson*

Do you have the desire to “rescue and render aid” to damaged quilts? Is there a point where you must stop all life support? Learn basic quilt repair techniques as you work on a “practice” project in class. Proper tools, techniques and the ethics of quilt repair will be covered, as well as some “tricks of the trade”.

### **Supply List:**

- Basic Sewing Supplies
- sharp embroidery scissors
- appliqué or straw needles

**Kit Fee \$10** payable to teacher in class.
