

## PHILIPPA NAYLOR CLASSES 2015

# Piping and Binding

### Half Day - All Levels.

Add a final stylish flourish to your quilts. A practical class where you learn to finish the edges of your quilts using the techniques employed in award winning quilts. Contrasting fabric covered piping and double folded binding are attached by machine to give beautiful straight edges, perfect corners and invisible joins.

### What you need to bring with you:

1. Sewing machine. Please bring your slide on table and knee bar if you have one.
2. Three different fat quarters.
3. Two quilt sandwiches with low loft wadding/batting. Min size 16" x 10". Please do not use high loft wadding as it is too puffy for these samples. You can sew a few lines of stitching across these sandwiches if you wish.
4. Needles for hand and machine sewing.
5. Rotary cutter and mat.
6. Ruler minimum 18" long
7. Quilters square minimum 6½" (or triangular 'ruler' 6" min)
8. A 1" x 6" quilters ruler. Omnigrd is the best make. Please note this ruler is essential for the piping technique and is not an ordinary small ruler.
9. Pins
10. Scissors for fabric and thread cutting
11. Thread
12. Quarter inch foot
13. Piping or zipper foot
14. Extension cord.
